Mr. Hubert H. Brown,
Exalter Ruler Brooklyn Lodge
No. 32 I. B. O. E. W.
1068 Fulton St.,
Brooklyn, N. Y.

Dear Sir:

I am writing to thank you and the Members of your Organization for your very kind and gracious assistance in my recent effort in staging the ball game in Brooklyn. There is no question in my mind about The Elks being responsible for the success of the affair. It is very hard for me to express my gratitude to you in a letter, and I hope I will be able to show it in some more definite concrete way in the future.

Again please accept my sincere thanks for conveying the message to all your Members, who so graciously assisted.

Very truly yours,
